

# AIG Saves \$250,000 and Reduces Content Delivery Timelines by 20% with GlobalLink®

To ensure effective communication with its employees, AIG partnered with TransPerfect to modernize its company-wide HR system.

TransPerfect's GlobalLink technology facilitated an end-to-end solution that enabled AIG to localize **one million words** in less than eight weeks, reduce project management time by **200 hours**, and generate more than **\$250,000 in savings.**

*They have been invaluable in terms of managing our workload in a predictable and cost-effective manner.*
